**Re: Standing Order**

---

It is the Order of the Court that compensation to a temporary judge appointed to sit for the El Dorado County Superior Court Small Claims and/or Traffic Division shall be:

- Pro Bono preferred
- \$75 for half day
- \$150 for full day

A temporary judge/settlement conference attorney appointed to sit for the El Dorado County Superior Court family law or civil alternative dispute resolution/mandatory settlement conference calendars or probate and/or unlawful detainer calendars does so voluntarily and Pro Bono except as noted below.

The Court currently conducts family law settlement conferences at the South Lake Tahoe Branch the second Friday of each month. Because of the limitations on service under California Rules of Court, Rule 2.818(b) the Court is having difficulty scheduling South Lake Tahoe temporary judge/settlement conference attorneys as these attorneys often are appearing on other cases in the courthouse on the same day.

West Slope and Sacramento area temporary judge/settlement conference attorneys who volunteer to conduct family law settlement conferences for our South Lake Tahoe Branch will be provided mileage reimbursement at the rate set by our Administrative Office of the Court, currently \$0.51 per mile.
